INDIAN MACHINE

TIME TO CONSCIOUS FOR HEALTH BY PARIVARTAN IN WATER

MEDITECH PRODUCTS COMPANY PROFILE.....

MEDITECH company, in view of revolution (PARIVARTAN) in water by ionization by electrolysis in the country, MEDITECH group has explored in the field of manufacturing economical water ionizer machine affordable to middle class Indians with proven experience in the industrial field and with technical know-how from Japanese technology the world leader in technology. Now MEDITECH, known for best in alkaline water ionizers with simplified advance machine and services is one of the most renowned player in domestic water ionizer machine industry. MEDITECH manufactures and distributes a wide range of water ionizer machines, accessories and all related parts.....

The company has been expanding rapidly, manufacturing and exploring area in the country. MEDITECH is committed to manufacture low cost economical products with maintaining international standards and exceptional quality in line with it excellent track record of producing high performing and reliable products. our experienced and well qualified personnel have enabled us succeed in the market with their expertise and assistance.....

OUR VALUES.....

Most economic low cost affordable and durable MEDITECH products give benefits to middle class Indians is the highest value. It has been providing alkaline, ionized anti-oxidant, micro-clustered, hydrogen rich water to people in need of more enhanced benefits of proven Japanese technology.

OUR MISSION.....

We aim to improve the human health, longevity through reduction of harmful effects of a polluted water and environment on health by PARIVARTAN in water with the ongoing development of science and technology.....

ABOUT MEDITECH WATER IONIZER MACHINE.....

MEDITECH ionizer is household and corporate medical device generates alkaline and acidic water through an electrolysis process. it creates total eight types of water, (four alkaline and four acidic water) having ability to produce a desired or intended result in improvement of the major stomach symptom such as indigestion, chronic diarrhea, excessive stomach acid and abnormal fermentation in the stomach. MEDITECH ionizer is certified as medical device by ISO 13485:2016, GMP certificate, ROHS compliant CE certificate and all the quality management certification like ISO 45001:2018, ISO 14001:2015 and ISO 9001: 2015.

Meditech Water Ionizer Machine

- ❑ Alkaline Ionized Anti-oxidant Micro-clustered Hydrogen rich water for long healthy life
- ❑ Acidic Oxygen rich micro-clustered water for body cleaning and nourishing to Skin and hair

Most Premium Model

- ❖ 3 / 5 / 7 / 9 / 11 plated Model
- ❖ Platinum Coated Titanium Plates
- ❖ Capacity 40 to 95 LPH
- ❖ pH Alkaline- 7.5/8.5/9.5/ 10.5 and acidic 6.5/5.5/4.5 / 3.5
- ❖ ORP : minus 400 to minus 700
- ❖ Auto - cleaning
